**TWO VIEWS** are seen here of the recently installed four-way stop signal system at Eastmoor Avenue and Junipero Serra Boulevard. The signal system went into operation Thursday in hopes it would alleviate past accidents and traffic snarls at this busy intersection. The system was installed by the

State Division of Highways, and financed by the State, County, and Daly City. Daly City's portion of the cost was 25 per cent—or \$6,000, as was the County's. The State paid the remainder of the estimated \$24,000 total cost. The project also included closing off San Fernando way and rerouting it

west of Adams Paint Store to connect with Eastmoor, thus avoiding intersection confusion; and construction of a right-turn lane for northbound traffic approaching Eastmoor, and having to cross the boulevard at intervals with the signals.

## Magorty Hearing Is Held Over To Aug. 7 For Medical Findings

Hearing on the case of a Daly City woman charged with assault with a deadly weapon on her roommate has been continued to August 7 to await a doctor's examination report to determine if she is insane.

Colleen Magorty, 26, of 252 Santa Barbara Avenue, appeared in a Redwood City courtroom recently and pleaded not guilty to the charge by reason of insanity. A medical report

to determine this was then ordered by the judge.

Miss Magorty was arrested during the pre-dawn hours of June 29, by police following an argument with her roommate, Beatrice Jones, 36, which resulted in the 26-year-old woman allegedly stabbing the other woman with an 8-inch kitchen knife.

Miss Jones was taken to a hospital for treatment of wounds and later released.

## SM County Fair, Fiesta Opens Run This Friday; Daly City Day Aug. 12

A record number of Northern San Mateo County visitors are expected to pour into the San Mateo County Fairgrounds on opening night of the nine-day 1961 Fair and Floral Fiesta this Friday.

The Fiesta will honor the city of Daly City, Saturday, August 12. This will be Daly City Day, and the city's pretty queen, Lynette Fishel, will be honored as hostess at the Fiesta Bowl shows during the afternoon and evening performances.

To bring attention to Daly City's "50th Anniversary Celebration," the day will begin with a caravan from City Hall to the Fairgrounds, led by Mayor Robert B. St. Clair.

Lynette will also share the spotlight with Dream Girl Karen Ann Jensen, who has just returned from Washington, D.C., where she publicized the 27th Annual Fiesta by presenting a prize rose to the White House and carnations to members of Congress.

Daly City exhibitors, always among the largest group of participants in the Fiesta, hope to take top prizes in the mammoth flower show, home and community arts, and in 4-H competition.

The exciting floral display in the Hall of Flowers this year has been designed to feature a wide lagoon surrounded by expanses of cut flowers. The lagoon will be bridged by a modern wood walkway that will permit Fiesta visitors a higher view of the professional indoor

garden and floral displays than they have enjoyed before.

Top nurseries of the Bay Area will compete with new, dramatic designs for outdoor patios, garden areas and special water effects.

The Industry Show in the Fiesta's new Twin Industrial Building will present a full-scale model of the Navy's Polaris missile. A civil defense bomb shelter test will be conducted throughout the Fiesta with a man inside the concrete shell during the entire nine-day show.

The famous King Sisters, whose hit records have become classics, will highlight the twice-daily Fiesta Bowl shows. They have recently completed a number of successful night club tours and appearances on the George Gobel and Steve Allen shows.

Sharing the billing with the King Sisters will be Alex Novelle and His Harmonicas. The seven talented performers feature leader Alex and "the little fella," Bobby Dimler, whose funny blythe has been keeping audiences entertained all around the country.

Jack Marshall, well-known rubber-faced comedian, will serve as Master of Ceremonies. Phil Bova and His Orchestra will provide the music.

But a county fair is not a fair without animals.

Members of county 4-H clubs and Future Farmers of America will compete for showman- (Continued on Page 2)

## Councilman In Call For Parade Marshals

Councilman Micheal DeBernardi this week issued a call for marshals to help with the Daly City Golden Anniversary Parade on October 7.

He urged anyone interested in serving as parade marshal to attend the next meeting of the parade committee at 8 p.m. Wednesday, August 9, at the War Memorial Community Center.

DeBernardi, parade committee chairman, said the large number of early entries indicate that the parade will be an outstanding success.

It is the first event scheduled for the week long celebration program and will feature a wide variety of top bands, marching units, drill teams, floats and mounted units.

## YOUTH CHARGED WITH ATTACK AT RC DRIVE-IN

The district attorney's office in Redwood City has issued a complaint charging Raymond T. Spina, 18, of 811 Southgate Avenue, with assault and battery and disturbing the peace in an alleged beating of two other youths at a Redwood City drive-in restaurant on July 30.

As a result of the attack, Randy Crump, 14, of San Jose; and Ralph Hero, 18, of Sunnyvale, claimed to have been injured. Both required hospital treatment.

According to Deputy Dist. Atty. Allison Rouse, Spina was identified by Crump as the one who assaulted him. Spina was in a car with several other youths at Rusty's Drive In, where the incident took place, according to Rouse. (Continued on Page 2)

## City Will Give Away 500 Goldfish At Fair

Daly City will give away more than 500 goldfish during the nine-day run of the San Mateo County Fair and Floral Fiesta which begins Friday.

The Goldfish Giveaway will be a daily feature at the Daly City booth in the Twin Industrial Building and is a part of a special program aimed at calling attention to the city's Golden Anniversary Celebration, October 7-14.

A pictorial history of Daly City, emphasizing its dramatic growth and development, also will be presented at the booth. Highlight of Daly City's participation in the Fiesta activities will be a band concert and entertainment program at 1:30 p.m., Saturday, August 12.

The program will begin with the arrival at the Fairgrounds of a stagecoach-led caravan carrying Daly City's two queens, Miss Lynette Fishel and Mrs. Mary Battye, city officials and other dignitaries.

A concert by the Daly City Municipal Band will begin at 1:45 p.m. At 2 p.m., Frank

James, general manager of Frontier Land at Linda Mar, will demonstrate his abilities in the quick drawing and rapid firing of firearms and will lecture on the importance of safety in gun handling.

Miss Daly City, Lynette Fishel, will be honored as hostess at the Fiesta Bowl show that evening.

Daly City and north county exhibitors, always among the largest group of participants in the annual Fiesta, hope to again this year take top prizes in the mammoth flower show, home and community arts, and in 4-H competition.

The exciting floral display in the Hall of Flowers this year has been designed to feature a wide lagoon surrounded by expanses of cut flowers. The lagoon will be bridged by a modern wood walkway that will permit Fiesta visitors a higher view of the professional indoor garden and floral displays than they have enjoyed before.

## Personnel Board Asked To Study Wage Increases

Various city department heads met with the Personnel Board last week to ask that the board give "reconsideration" to the wage scale and salary range for specific positions within their departments.

Within the coming weeks, the various department heads will meet individually with the Personnel Board to go over reasons for the various requests, past requests asked and granted, and make further wage studies of the departments.

It is anticipated that within the near future, the Personnel Board will make a "block" recommendation to the City Council as to whether or not it thinks certain salary increases are necessary.

## Jack Kendree Has Post In United Crusade

U. R. "Jack" Kendree, Property Manager for Henry Doelger Builder, Inc., has assumed leadership of the Construction division for the 1961 campaign of the United Crusade for San Mateo County, according to an announcement by Don M. Galbraith, 1961 Crusade campaign chairman.

Kendree is Past President of

both the Rotary Club of Daly City and the Daly City Chamber of Commerce and a former member of the board of the College of San Mateo. Both Kendree and his wife are well known as dedicated workers for the North San Mateo County YWCA, a United Crusade agency.

As chairman of the Construction division, Kendree plans to organize an all-out campaign in the building in (Continued on Page 2)

## Dismissal Asked For Nine Youths In Anti-Jew Case

Attorneys for Barry and Steven Van Otten and seven other youths who, for 15 months terrorized a Sunset District Jewish couple, made a motion Friday before Judge Harry J. Neubarth in San Francisco Superior Court to dismiss the indictment charging the youths with conspiracy.

Judge Neubarth then continued the case until August 17 at 9:30 a.m. for a decision on the motion.

Should the judge deny the motion, then the youths will have to make a plea, which they have not had to do yet. If they should plead not guilty to the charges, they would have to face trial, according to Superior Court spokesmen.

One of the nine youths, Brent Cohn of San Francisco, who was at National Guard camp at the time the youths were arrested and booked, was arraigned. Barry and Steven, along with six of the youths, were arraigned on July 19.

## SSF Council Plans Lowering Tax Rate In '61-'62 Budget

South San Francisco City Council is giving final study to the 1961-62 budget which will cut the city tax rate by 43 cents from \$1.56 to \$1.13 per \$100 assessed valuation.

The lower rate is due to sales tax and the reassessment of land within the city limits.

About \$1,017,000, under this tax rate, is expected to be budgeted as revenues from property tax, a decrease of \$215,221, from the 1960-61 levy of \$1,232,221. The cut can be accomplished by applying a substantial portion of the sales tax revenues to the operating budget and by decreasing the levy in relationship to the increase in valuation due to the reassessment of land in the city, according to city officials.

## Plan Theater Party Aug. 17-18 For Youngsters

Twenty-two hundred boys and girls of Westlake and the surrounding areas are going to get to go to a free motion picture party; featuring an all-Disney program.

It's part of the Westlake Shopping Center's annual Back-to-School event, and is sponsored by the Westlake Merchants Association. The two-day theater party will take place at the Serra Theater, on (Continued on Page 2)

## Missing Colma Youth Sought; Info. Is Given

The Broadmoor Police Department is searching for a 15-year-old Colma youth who has been missing since early June. Help in locating the boy is now being asked.

James Eric Ludwick, son of Mr. and Mrs. Max Ludwick, of 1066 Gilman dr., in Colma, ran away from his home on June 7,

James Eric Ludwick

and has not been seen since. His parents received a post card from him on June 8 postmarked Daly City. Since that time they have received no word of him.

Young Ludwick ran away once before, in January 1961, and was found in El Paso, Texas.

He is described as being 5 feet 4 inches tall, weighing 130 pounds, having light brown hair. He has an upper front tooth chipped and a one inch scar on his chest, caused from removal of a wart. His hobbies are hot rods and bowling.

When last seen, he was wearing a black and white striped jacket with black pants, possibly carrying a white overnight case with initials M. M. L.

Should the boy be located, please phone either his parents at PL 5-0924 or Chief of Police Ray Savage at PL 5-3838.

## CITY FATHERS OK TENTATIVE MAP FROM McKEON

## 3 Injured When Car Hits Palm On Mission St.

Three persons—two of them small boys and the third the driver of the car—received serious head and body injuries Saturday night when the car in which they were riding careened into one of the palm trees located on the Mission street dividing strip, and overturned.

Alfred Joseph Mattei, 24, of San Mateo, told police he was going north on Mission street at approximately 11:34 p.m., and that he "must have fallen asleep," for suddenly his car veered off the road and smacked into a nearby palm tree, breaking the tree in half three feet above the ground. The impact caused the car to turn over.

In the car were passengers Edward Joseph Peppers III, four, and his brother, Barry, two and a half years, both of San Mateo. The three were rushed to Junipero Serra Hospital for treatment. They were later released as out-patients. Mattei was not cited.

A two-car collision occurred Saturday at 9:15 a.m. at Hillside boulevard and Mission street, with no injuries resulting.

Joseph Gonzales, 46, of 89 Eastwood, Daly City, told police that he was going north on Mission when his car failed to stop in time, thus smacking into the rear end of the car being driven by Mrs. Mildred Vogt, 52, of Des Plaines, Ill., who had stopped for the traffic signal.

The City Council meeting in a special noon session Monday approved the tentative map for Builder George McKeon's St. Francis Heights Unit No. 5, subject to his withholding aside one lot adjacent to the Daniel Webster School for a possible access road, and construction of a retaining wall at the north end of proposed Olcese Court, in order to "cut off the toe" of a slope for the street right-of-way in completing the cul-de-sac.

With approval of the tentative map by the City Planning Commission and now, the council, McKeon will be able to start actual construction. With its approval, the council ordered issuance of building permits.

At first, McKeon registered some concern over the fact that the council approved the tentative map, and not the final map, too. He said he hoped to have both maps approved at this time.

McKeon said that he feared starting construction before the council okayed the final map, because the Council and City Engineer William Chapman might require something different than that shown on the approved tentative map, and both maps have to be the same.

Councilman Joe Verducci asked Chapman if he would approve of the final map as the tentative now stands. Chapman replied that he did not anticipate any changes in the final map to that which is already shown and approved in the tentative map.

Chris McKeon, George's father, then took to the rostrum and directed a few sharp words toward the council's way. He blasted the council for its "unnecessary" delays in getting the maps approved, and the work started.

He said the council had caused "constant delays," noting that there were many men tied up with this housing development, calling for construction of 35 homes. He called the city's attitude "highly inadequate."

The council assured the McKeons they could now begin construction by first taking out building permits, etc., now that the tentative map is approved. The council expects to approve the final map at the August 14 meeting.

One of the big stumbling blocks in getting the tentative map approved was Chapman's insistence that one of the lots be temporarily held aside from development until a study by Engineer T. V. Tronoff of that (Continued on Page 2)

Junipero Serra boulevard, on the afternoons of Thursday and Friday, August 17 and 18, from 1 o'clock until 3 o'clock.

Tickets for the big theater party will be given away by all Westlake stores, commencing Wednesday, August 9. As there is a seat limitation on how many patrons the theater holds, the number of tickets available for the two-day event is necessarily limited. The various merchants of the Shopping Center are likewise limited to the number of tickets which they may give away, and the tickets must be used on the day for which they are marked.

However, it will be on a "first come, first served" basis, for as long as the 2,200 tickets last. Children, accompanied by an adult, may obtain them, as long as the supply lasts, at any of the various Westlake stores. Merchants Association officials stressed the fact that the tickets must be obtained in advance, and are not obtainable at the theater itself for this special party.

## W'lake Chapter For Children's Society Formed

A new Northern San Mateo County Chapter of the Children's Home Society of California has been organized in Westlake.

The 70-year-old society is the only privately supported statewide agency licensed by the California State Department of Social Welfare to place homeless children for adoption. The society operates on a statewide basis to meet adoption needs in every part of California. Children and families of every race and faith are served. The services benefit children for whom adoption seems indicated and couples who want to complete their families through adoption.

Mrs. Trevor R. Geddes of 129 Glenwood avenue, Westlake, has been elected president of the new "Stardust" Chapter. She and her fellow members will through volunteer work and sponsorship of fund raising events implement the adoption program of the society.

Serving with Mrs. Geddes are: Mrs. Willard F. Peterson, Pacifica, vice-president; Mrs. Joseph S. Kent, San Francisco, secretary; Mrs. Anna Arnaudon, San Francisco, treasurer; Mrs. Lawrence R. McDonnell, Westlake, publicity chairman; Mrs. Donald V. Briggs, San Francisco, motor chairman; Mrs. Kenneth W. Wells, South San Francisco, membership chairman; Mrs. Dalton Howatt, Pacifica, project chairman; and Mrs. James Nolan, San Francisco, parliamentarian.

## Gardener's Checklist

By Calif. Assn. of Nurserymen

1. When dividing tall bearded Iris, renew the soil before replanting the rhizomes. Remove some of the old soil and replace it with compost or soil from another bed.
2. Plant citrus trees during these warm months, but protect exposed trunks from the sun. A wrapping of burlap will do it.
3. Feed Fuchsias, Chrysanthemums, Tuberous Begonias every two weeks. Try liquid fish one time, a complete plant food the next.
4. Use a canvas soil soaker on sloping lawns if water from the sprinkler runs off as fast as you put it on.
5. Primroses may be divided now or next month. Rework the soil with leaf mold and steer manure or planting mix before replanting the divisions.

## Carol Kurtz Joins Girl Scout Staff For SM Council

Carol Kurtz, a graduate of Fresno State College, has joined the staff of the Girl Scout Council of San Mateo County, according to an announcement made recently by Mrs. E. E. Gould, executive director.

Miss Kurtz's job title is Advisor of District I which comprises Daly City, Colma and Bayshore. Her professional responsibility will include assisting volunteer leaders of Brownie and Girl Scout troops in this specific area.

Born in Inglewood, California, Miss Kurtz attended public school on Oro, California and was graduated from the Oro High School in 1952. In 1953 she joined the United States Air Force where she worked until 1956 in radio and radar maintenance. The Air Force stationed her in San Antonio, Texas; Cape Cod, Massachusetts and St. Louis, Missouri.

In 1956, Miss Kurtz enrolled at Fresno State College majoring in Sociology and Anthropology. During this period, she worked closely with the El-O-Win Girl Scout Council, first as a volunteer and then for one year as a semi-professional. She was a council assistant concerned primarily with the training aspect of the out-of-door Girl Scout program. Her job experiences at the summer camp of El-O-Win near Shaver Lake were instrumental in her decision to select Girl Scouting as a career.

Miss Kurtz resides at 685 Schofield in Palo Alto. Her parents, Mr. and Mrs. Howard Kurtz, make their home at 1486 College Avenue in Fresno. She has a brother who also lives in Fresno.

According to Mrs. Gould, the hiring of Carol Kurtz fills the quota of five advisors needed for the five districts in the Girl Scout Council of San Mateo County, member agency of the United Crusade.

## Square Dancing To Be Presented In Shopping Court

There'll be dancing in the streets . . . at Westlake Shopping Center, next weekend.

The occasion will be the presentation by the Gingham Squares of South San Francisco. The colorful event will take place in the shopping court of Westlake Shopping Center on Saturday afternoon, August 19 at 2 p.m. The demonstrations and dancing will last for an hour or more.

John Strong, well known caller, will be master of ceremonies for the event. It is expected that four squares of dancers will participate. During the course of the afternoon the audience will be invited to join in the dancing. Strong will explain the various steps of square dance to the audience, who will then be invited to try for themselves.

The Gingham Squares are at present dancing at the Thomas Edison School on Wednesday nights between 8 and 10 o'clock. These Wednesday night sessions will continue through August.

The Westlake Shopping Center appearance of the group is under the sponsorship of the Westlake Merchants Association. It is presented without charge and all visitors to the shopping center that afternoon are invited to attend the demonstrations and dancing.

## It's Automatic

(Continued from Page 1)  
engineers to the rapid transit district said "integration of these broad areas of control and operation into a single control system is probably the most significant development in this modern concept of rapid transit."

Development of such an advanced control system was mandatory, the engineers said, in view of the fact that Bay Area rapid transit trains will normally operate at speeds in excess of 70 miles an hour and at frequencies of every 90 seconds during peak hours.

Heart of the control system will be an industrial-type digital computer.

A complete record of traffic and patronage data will be accumulated automatically in the computer center, and this data will determine whether a train is to be made up to 2, 4, 6, 8 or 10 cars. The computer also will evaluate the time of day, weather conditions, current events and other factors affecting the movement of people and traffic to determine the frequency of dispatching trains and the number of cars required.

As the train is automatically dispatched from one of the system's six storage yards, it comes under the jurisdiction of the route control system which governs the train's movement between stations. This system transmits commands that are detected electronically by sensors on the train and that control the acceleration, running speed and deceleration to conform to predetermined speed limits for each section of track.

The passenger station control of the train as it approaches a station. This system automatically identifies the train, announces its arrival to waiting passengers and brings the train to a stop at a pre-determined position along the station platform. The train's doors are automatically opened and closed, the train is started and control is then returned to the route control system.

Capable of overriding all other automatic and manual controls is the block control system. This system will cause the train to decrease speed or to stop should it approach too close to another train. Thus, a specific, minimum spacing between all trains is always maintained, no minimum safe speed limits cannot be exceeded, and if a specific electronic command is not received at all times the train comes to a stop.

A single attendant aboard each train will visually monitor the operation of the train. The only operating functions he can perform are to reduce speed or stop the train in the event of an emergency.

The control computer will perform important functions in accommodating charge-account riders. A regular commuter will be issued a charge-account identification card. On boarding, the passenger will insert the identification card in a turnstile, which will record the identification and board point. A similar operation at the exit turnstile records the destination.

## Big Car Rally Is Scheduled For August 20

A time and distance map rally that will cover at least five hours of driving over three roads of northern counties will be held Sunday, August 20, starting at the Observation parking lot at the north end of the Golden Gate Bridge.

The rally will consist of a 75-car limit. The classes are navigational and non navigational. The fee is \$3. Registration will be held at 7 a.m., and the first car out will be at 8 a.m. Participants will have a full hour lunch stop, ending up in the northern part of Marin County.

Trophies for first, second, and third in both classes, will be awarded. Place plaques for the first five places in both classes and participation plaques to all finishers will be given.

Summer Rally of '61 is sponsored by the Volkswagen Club of California.

## OBITUARY

**George Edgar Wilhelm**  
Funeral services were held Friday for George Edgar Wilhelm at the mortuary of W. C. Laswell & Co. Interment was at Cypress Lawn Memorial Park.

Wilhelm died in San Francisco on July 25. He resided at 227 Alexander ave. He was a native of Maryland. He had lived in California and Daly City for the past four years. He is survived by his wife, Flora; two sons, Donald C. and Elmer C.; and a daughter, Eleanor Wilhelm. He also leaves a brother, Gilbert; and a sister, Mrs. Robert Hamer.

tion. This information is sent to the computer where it is correlated and the fare added to the passenger's charge account. Once each month the accounts are reconciled and statements issued automatically for mailing.

Another feature of the automatic control system is that it will permit direct voice communications between the central control supervisor and attendants and passengers on all trains and with personnel in passenger stations and yards.

The engineers noted that all aspects of the control system will be designed on the "fail-safe" principle to insure complete safety. Thus, any abnormal function in the control system will cause a train to react in a manner that is safe, even if it is necessary to stop.

**"Shooting" power lines over canyons helps keep PG&E service your best bargain**

If you see a PG&E lineman with this strange-looking gun, he's stringing power lines—not hunting. Canyons, dense trees, streams and other obstacles slow up power line construction. But not with a modern line-throwing gun! It can shoot a light line more than 400 feet over obstructions—then the power line is attached and hauled through otherwise impassable sections quickly—and economically. Saving time and construction costs with efficient methods like this is another example of creative engineering at Pacific Gas and Electric Company as it builds ahead for a state on-the-grow.

## SEATTLE NEWSPAPER SERIES UNMASKS UNETHICAL DAMAGE SUIT PRACTICES

To alert the public to the effect fraudulent claims have on insurance premiums, The Seattle Times assigned two staff writers to investigate the many dodges employed by car insurance cheats.

In cooperation with Western Insurance Information Service on behalf of the casualty insurance industry, staff writers Stan Fatty and Don Duncan reviewed volumes of material on claims, interviewed attorneys, claims men, adjusters and investigators, and then went into the field for a month to personally document cases of insurance fraud.

The result of their research was a hard-hitting series entitled "Car Insurance Cheats Steal Millions on False Claims," which ran June 25 through June 29, 1961.

In over 250 column inches, they explored the claims conscious age with its faked accidents, fraudulent claims and other dishonest procedures that plague the insurance industry across the nation and keep rates high for the motoring public.

According to John E. Hammond, Northwest Manager, Western Insurance Information Service, Seattle, insurance companies are in business to pay claims promptly, courteously and fairly. The insurance company's product is financial protection. But, while at least 90% of the public is honest, the other 10% attempt to "get something for nothing." This trend is costly to insurance companies and policyholders alike.

The series emphasized that a double standard of morality seems to exist when doing business with insurance companies since the myth that insurance companies are big, impersonal "money bags" persists. Drivers who wouldn't steal a 4-cent stamp will fudge a few dollars on a routine accident claim. And there are a few

### Ex-W'lake Bank Man Is Honored at Fete

Christopher Malamis, who resides at 35 Corona street in San Francisco's Ingleside district, was an honored guest at a dinner in San Francisco recently for new members of the Bank of America's Founders Club.

Hosted by President S. Clark Beise and other senior executives of the bank, the dinner at the Fairmont Hotel marked the initiation of 18 Northern California staff members who became eligible for club membership on completing their 25th year with the bank in recent months.

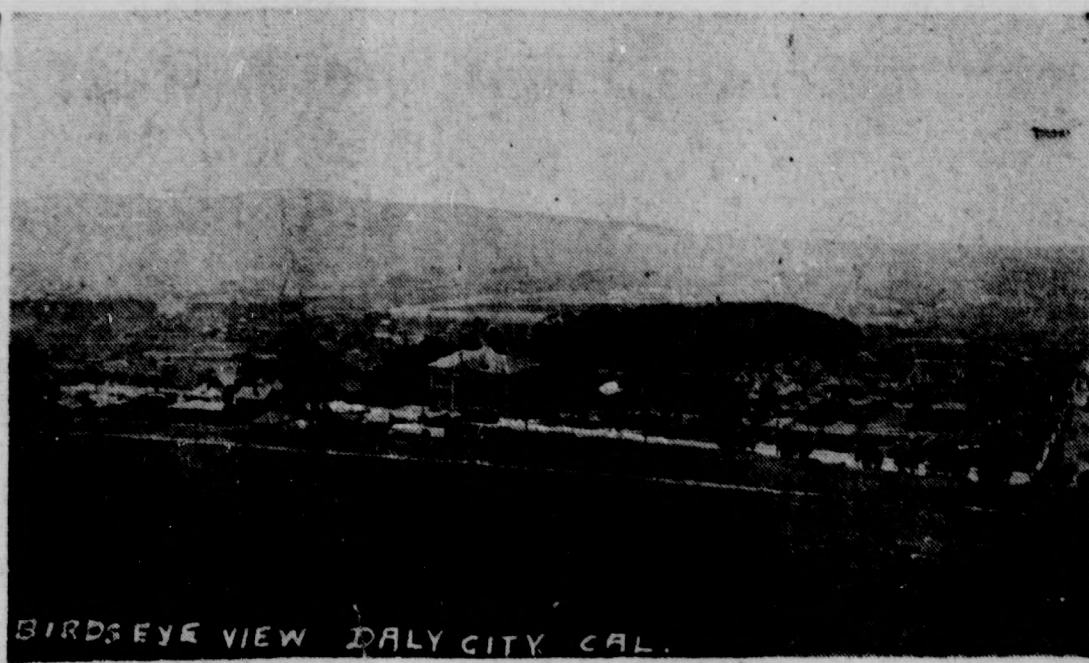

Malamis served as operations officer at the Westlake branch from 1952 to 1960, when he was assigned as assistant purchasing agent in San Francisco. He celebrated his 25th anniversary with the bank on July 6.

## Robert Simon Is Appointed K of C Prog. Chairman

Robert C. Simon, Deputy Grand Knight of Marian Council has been appointed the Council's General Program Chairman for the term of 1961-62 by Grand Knight Robert VanderPutten.

Besides the duties of General Program Chairman Bob will continue in his position as the Council's Public Relations Director, a post which he has held for the past four years.

Other activity chairman posts were appointed as follows: William Crowman, Catholic activities; Guy Gargiulo and Benjamin Parodi, council activities; Vincent J. Vasile, fraternal activities; Donald Hackett; Columbian Squares and youth activities; and Louis Thiebaut, membership.

BIRDEYE VIEW of Mission Street about 1920, with the old majestic-looking Vista Grande School at center. When this picture was snapped, that area in the foreground was nothing but pasture (see the cows), the Daly City War Memorial Building Center now stands in its place. Note the streetcar in front of the school. For a nominal fee it would take you to San Mateo. In the background, where you see the cluster of trees, is Marchbanks Park, which was then a picnic ground. We are looking down from the present Hillside Blvd. to see this panorama. This picture was contributed by Mrs. Rose Lufrano, 307 Santa Barbara ave.

## Modern Rapid Transit System Is Called Necessary For Bay Region; In Operation By 1968 Or 1972

A thoroughly modern rapid transit system is indispensable for the Bay region, consulting engineers to the five-county Bay Area Rapid Transit District concluded recently in their final report.

In making detailed recommendations for a 120-mile, high-speed rail transit system covering the Bay Area, the three-firm team of engineering consultants declared:

"The proposed rapid transit system... incorporates every desirable known advance in modern equipment and methods and will successfully serve the regional mass transit needs of the Bay Area.

"The system will abate motor vehicle congestion on the regional highways and in the urban centers, will encourage a continued high rate and type of economic development and will preserve and enhance a high living standard.

"Construction and operation of the system... is feasible and can be accomplished within the estimated costs set forth."

The final engineering report, the product of more than two years of study and planning in close cooperation with city and county officials throughout the district, was submitted today to the district's board of directors by the joint venture firms of Parsons, Brinckerhoff, Quade and Douglas, of New York and San Francisco; Tudor Engineering Company, of San Francisco, and the Bechtel Corporation, of San Francisco.

According to the report, the proposed system will require 10 1/2 years to construct. Assuming passage of the scheduled general obligation bond proposition in June, 1962, the entire system would be in operation in 1972, but significant portions of the system would be in full operation by 1968.

Construction cost is estimated at \$1,078,000,000, including nearly \$182,000,000 for anticipated inflation in the costs of labor and materials during the construction period.

The construction estimate does not include the estimated \$133,000,000 cost of the trans-Bay tube, key link in the system, which will be financed through surplus Bay Bridge automobile tolls.

By 1980, they estimated, the system will be transporting more than 127,000,000 passengers annually and producing net revenue of \$21,000,000.

Highlights of the report include:

The system will have about 120 miles of two-track routes, including 20 miles of subways and tunnels, 42 miles of aerial lines, 52 miles of grade-separated surface lines, a four-mile underwater tube linking San Francisco and Oakland, and a two-mile rail link built within the lower structure and beneath the present roadway of the Golden Gate Bridge.

Some 900 ultra-modern, fast and comfortable rapid transit cars will serve the 52 stations located throughout the region. Thirty-eight of the stations will provide parking facilities

for nearly 43,000 automobiles. All of the electrically-powered trains will operate under the constant control of an automatic computer-controlled system designed to insure the highest degree of safety and service.

An automatic system of fare collection will be used which will serve both cash and charge account customers. Commuters will have the opportunity of using a charge account system which will permit them to enter and leave stations simply by use of their identification cards, with billings at monthly intervals.

The 120-mile network will be comprised of five main transit lines, each radiating outward from the trans-Bay tube and extending along the region's well-identified travel corridors. Two of the lines will branch out from San Francisco, one south along the Peninsula to Palo Alto and the other north across the Golden Gate Bridge through Marin County to Santa Venetia. From Oakland, three lines will fan out to Richmond, Concord and Fremont.

All routes will occupy exclusive rights-of-way, completely separated from all other types of traffic. This will assure operation of transit trains at top speeds of more than 70 miles an hour and at average speeds—including stops at stations—of about 50 miles an hour.

During peak travel hours, trains will operate at frequencies as often as 90 seconds. During other times of the day, frequencies will not exceed 15 minutes.

Comfortable, seated rides will be provided for as many as 30,000 passengers per hour in each direction on all routes.

Fares will be set to be competitive with the "out-of-pocket" costs of operating an automobile. Minimum fare will be 25 cents for any trip up to eight miles. Longer trips will be charged on a per-mile basis ranging from 3.2 cents per mile at eight miles to 2.25 cents per mile for the longest trips.

All facilities will be designed for the maximum in passenger comfort, convenience and appearance. Every new technological development will be utilized in designing trains that will be free of noise and vibration.

The final engineering report makes it clear that the proposed system is designed to work in coordination with the Bay Area's network of freeways, highways, streets and local transit.

## Knutson Cleared Of Murder; Faces SM Narcotics Charge

Richard J. Knutson, 31, has been cleared of any connection with the death of his reported girl friend, Mrs. Joan Zerbe, 22, found dead in her Fairfax apartment recently.

According to Fairfax Police Sergeant Charles Grasso, the young divorcee died of natural causes.

She had a larynx spasm, causing a shutoff of oxygen to her lungs while she was taking a bath.

Mrs. Zerbe was found by the apartment manager, nude in the tub, with water spilling over

### Names of Recent Blood Donors Told

The Peninsula Memorial Blood Bank recently announced that Arthur C. Cooper of Daly City had recently donated his fourth pint of blood to the bank. Dennis M. Callahan of Colma recently made his first visit to the bank.

Narcotics also were discovered in his Mill Valley room — which he used rent-free from the divorcee's grandmother. Narcotics also were found in Mrs. Zerbe's apartment.

Knutson was bass violinist of the Dick Contino Trio, playing at the Daly City night club.

## Scenes From The Past . . . . .

In conjunction with Daly City's 50th Golden Jubilee Anniversary Celebration, we are printing several pictures of "Scenes From the Past." Do you recognize any of them? Some of them were taken circa the turn of the century and some considerably later. However, they all show Daly City as it was in the past.

### Eastern Visitor, DC Youth Win Golfing Honors

Mrs. Rod Munday, vacationing in Daly City from New Oxford, Pennsylvania, tied for fourth place in the Examiner Hole-in-One Contest in Lincoln Park recently.

Coaxed into taking a swing for the Westlake Lounge Group, Mrs. Munday drove the ball only seven inches shy of a hole-in-one, and won a gold-plated trophy and a \$50 Savings Bond, plus an additional prize from the sponsoring organization.

Prizes will be given out Sunday at the Lincoln Park clubhouse. Steve Little, 16, of Daly City assumed the lead in the race for the Frank Davidson TV set, which annually goes to a junior in the Hole-in-One Tournament.

Steve is a Terra Nova High School student, and placed the

### Officers For OLPH Holy Name Society Told

New officers for the Holy Name Society of Our Lady of Perpetual Help Catholic Church were elected recently at an executive board meeting.

Heading the list of officers is Ernest Reyes, who will serve as president for the coming year.

Other officers are George Calegari, vice president; Joe Spineti, secretary; Fred Klinger, treasurer; Gary Garguilo, marshal.

The Rev. Matthew Sullivan will continue as spiritual director for the group.

Committee chairmen are Walter Mignault, program chairman; Earl Heathcoat, educational chairman; Milan Stanley, sick and vigil chairman; Art Ramos, publicity; Carl Rolandi, Catholic youth coordinator and director; and George Calegari, membership.

The group will meet on Sunday, August 13, following the 8 a.m. mass in the school auditorium for a breakfast meeting.

### TIRES AND SKIDDING

Another good reason for keeping your tires inflated to the recommended pressure, points out the National Automobile Club, is that both underinflated and overinflated tires tend to increase the chance of skidding.

### TRAFFIC LAWS

Legislators devised the traffic laws to help keep you out of trouble while driving, points out the National Automobile Club. If you try to cheat on these laws a little, you may be cheating yourself a lot.

### Crawford-Bemis Married In St. Cecilia's Church

Barbara Ann Crawford, of 200 Park Plaza drive, Daly City, became the bride of Raymond (Jack) Bemis of Burlingame on July 22 during nuptial ceremonies at St. Cecilia's in San Francisco. The Rev. Edward Burke of Loyola University of Los Angeles officiated.

The bride is the daughter of Mrs. Paul Logan, 200 Plaza drive, and Lloyd Crawford of Ulysses, Kans. She attended Ulysses (Kans.) High School, and City College of San Francisco. She is a member of the San Francisco, California and American Dental Assistants Societies. She is a certified dental assistant.

The groom is a graduate of Burlingame High School, and recently completed three years in the U. S. Navy. He is presently a student at San Jose State College.

The bride's gown was floor length Chantilly lace with opalescent sequins and little pearls scattered over the fitted bodice. The full skirt ended in

a scalloped hemline and a sweeping chapel train of ruffled tulle. She carried a cathedral bouquet of Lilies of the Valley and Stephanotis with highlights of French imported lace and sequins. She carried a white rosary.

Maid of honor was Nancy Weaver of San Carlos. Bridesmaids were Carole Fry of Sacramento and Bonnie Clark of Palo Alto.

Nanette Hedrick of Daly City was flower girl.

The bride was given in marriage by her stepfather, Paul Logan. Soloist was Paul Walti.

Best man was Don Weaver of San Rafael. Ushers were Marve Strok of Hillsborough; and Bob Duncan of Burlingame.

The church was decorated with baskets of white gladiolus. White ribbons decorated the center aisle of the church. A reception at Forest Hill Club House followed the ceremony.

The couple then departed for a honeymoon in Carmel. They plan to make their home at 616 S. 8th street in San Jose.

**GORGEOUS BRIDE** are the two words that best describe Barbara Ann Crawford, now Mrs. Raymond (Jack) Bemis of Burlingame. Picture above was taken following their recent wedding at St. Cecilia's in San Francisco. The bride is from Daly City. The couple will make their home in San Jose while he completes his studies at San Jose State College.

## Pacifica Women Plan Club Dinner-Dance

Something new is on the calendar for the Pacifica Federated Women's Club. Saturday, August 5, is the date selected for the first dinner-dance to be held by the organization.

Members, their husbands and guests will meet for a no-host cocktail hour at 7 p.m. in the lounge of The Breakers, at Rockaway Beach. Dinner will follow in the banquet room. The Breakers orchestra will provide music for dancing.

Mrs. Fred Ballou heads the committee handling the arrangements for the evening, with Mrs. Gordon MacDonald lending her talented hand to the decorations. Mrs. Ballou reports reservations, by members are high.

## Bible School At Bethel Lutheran Starting Aug. 7

Bethel Lutheran Church at Alemany boulevard and Huron avenue, will conduct a Vacation Bible School beginning Monday, August 7, and continuing to August 17. The classes will meet every morning from 9 a.m. to 11:45 a.m. The lessons will be based on the theme: "Jesus Our Savior."

The purpose of the school is to supplement the religious instruction of the children. It will also provide activities that develop Christian attitudes and give training in the Christian way of life.

The program will consist of Bible stories, handicraft, songs, pictures and games. All children of Sunday School age are welcome to attend.

A number of the members of the congregation will serve as teachers, together with the pastor, the Rev. Herbert P. Schroeder.

## Dohrmann Supply Will Move To Crocker Park

Crocker Industrial Park will be the home of the new warehouse and general offices for Dohrmann Hotel Supply Co., pioneer San Francisco manufacturers and distributors of food serving supplies and equipment.

Work on the eight-acre building, one of the largest of its type in the area, got under way last week. Business and civic leaders, including Mayor George Christopher of San Francisco and Edward R. McDonald, chairman of the San Mateo County board of supervisors, participated in ground breaking ceremonies at the site.

The attractive building is being erected by Associated Construction and Engineering Co. of South San Francisco. Completion is scheduled for next March, according to Russell C. Jordan, industrial development manager for Crocker.

Work on the Dohrmann facilities marks the second anniversary of the opening of the 250-acre, \$25,000,000 development and the beginning of work in Unit II of the Park located off Old Bayshore Highway just south of the Cow Palace.

Other major firms already located in the Park include Crane Supply Co., Hockwald Co., Stanley Works, B. F. Goodrich, Willys Sales Corp., Cooper Tire and Rubber Co., Western Asbestos Co., Michelin Tire Corp. and the publishing firm of Holt, Rinehart and Winston.

Dohrmann will occupy the new building on a long-term lease arrangement, according to Jordan. Caldwell Banker Co. of San Francisco was broker in the negotiations.

## County Catholics To Give Sept. Style-Garden Show

Fall 'n' Fashion style show and garden party, sponsored by the Catholic Social Service Auxiliary of San Mateo County, is scheduled for Friday afternoon, September 8.

The lovely gardens of Dr. and Mrs. Gordon Madding's home on Chiltern road, will be the setting for the big charity event to benefit the work of Catholic Social Service in this county.

Mrs. Peter Fagan, president of the Auxiliary, has appointed Mrs. Lachlin McKinnon as the General Chairman. Assisting her with arrangements have been Mesdames Richard F. McLaughlin, Sr., and Ernest Molloy.

Mrs. John F. Barrett is the Fashion Show chairman, with Mrs. Jack E. White as co-chairman. Assisting with the models will be Mrs. Richard McLaughlin, Jr., and the coordinator will be Mrs. Peter Frederickson.

Some of the models will be professionals but many will be Auxiliary members. The fashions will be by Macy's of Hillsdale.

A committee, headed by Mrs. Edward Molkenbuhr, Jr., of Daly City, has been accepting donations of valuable and interesting articles to be distributed as prizes to the lucky guests during the show. These will include a beautiful fur piece.

Mrs. Molkenbuhr's committee will include Mesdames John B. Rose, Donald McNamara, Charles Boerio, Frank Kelly, Jr., Frank Lawson, Joseph A. Moore, Jr., Martin Nejmich and Milan J. Stanley of Daly City, Edward Glischenski of Colma, and John Caselli of South San Francisco.

Other committees include the refreshment committee, headed by Mrs. Hubert Stronck and Mrs. Chester Hahn, the reception committee with Mrs. James Flanagan in charge, and Mrs. Adolph Pahl handling the decorations.

Mrs. Stephen Vistica will work on the transportation and parking problems and Miss Winifred Burke is preparing the program.

Mrs. John J. Murray, chairman of the ticket committee, announces that the tickets for the Garden Party and Fashion Show are now on sale.

Tickets are available through Mrs. Murray, or any member of the Auxiliary or at the Agency Office, 329 Primrose, Burlingame.

## 'Christmas In August' Party At W'lake Lutheran

A gaily decorated Christmas tree and carol-singing children will herald the traditional "Christmas in August" party at Westlake Lutheran Church on Friday, August 18, during the regular morning worship of this year's Vacation Church School.

Children attending the popular and beneficial two-week session will bring holiday-wrapped gift packages at this time for distribution during the Christmas season to the Navajo Indian children at the Rock Mission in Arizona. This special missionary project is designed to promote a spirit of Christian sharing between the children and their Christian friends elsewhere. Each child will place his or her gift under the tree and specially decorated refreshments will be served.

This is just one event which will highlight the Vacation Church School which runs from August 7-18, Monday through Friday, 9 to 11:45 a.m., at the church, 222 Avalon drive. The colorful and interesting course, "Jesus, Our Savior," will feature correlated handicrafts and the newest in visual aids, colored filmstrips, singing and study will all take their place in the daily schedule. Children will receive Vacation Church School badges upon registering and those attending the first day will be presented with a special surprise.

The annual "Open House" for children, their parents and friends will be held on Friday evening, August 18, from 7:30 to 9 o'clock. Parents will be able at this time to visit classrooms, view handiwork exhibits, meet with teachers and enjoy the "coffee hour." Certificates for faithful attendance will be given to the children at this affair.

Any child between the ages of 3 and 14 years is welcome to enroll. A staff of 30 trained teachers stands ready to instruct classes running from nursery through intermediate. Cost for the two-week period is \$1.75 per child, with a maximum charge of \$5 per family. You may register your children in advance by calling Mrs. Curtis Rehn, Director of Parish Education, at PLaza 6-6640, or at the church on Sunday following both the 8:30 and 11 a.m. services. Registrations will also be accepted on the first day of school and thereafter.

MRS. PHILIP FRAHER is the new floor chairman for the Westlake Festival Committee. Presently, she is planning the first pre-festival event of the coming year. "All Hands on Deck," a cruise dance, will be held on Saturday, September 23, at 9 p.m. from Fisherman's Wharf.

THE VOICE of the Fiesta, Bill Neil, practices announcing the feature attractions of San Mateo County's 27th annual Fair and Floral Fiesta before the 9-day show opens August 4. Bill, 18, a San Mateo College freshman from South San Francisco, was selected for his role in a contest at the college under the direction of Dr. Merrill C. Hansen, head of the speech department. A speech and drama major who admits he has always talked a lot, Bill will keep Fair visitors posted on everything from the Fiesta's special events to the whereabouts of pint-sized fairgoers whose "mothers have become lost."

## NANCY NEPSTEAD BECOMES BRIDE IN RENO RITES

Nancy Nepstead, daughter of Mr. and Mrs. Norman R. Nepstead of 151 Wilshire avenue, Daly City, recently became the bride of Carl A. Furrer, Jr., of Sacramento.

The couple exchanged vows in an informal church ceremony in Reno, July 8, and after a week's honeymoon were honored at a reception at the Sacramento home of the bride's parents.

Mrs. Furrer, a June graduate from Westmoor High School, created the modernistic design for the posters that will appear on billboards throughout the Bay Area next month to promote Daly City's Golden Anniversary Celebration, October 7-14.

Her design was selected in a contest conducted at Westmoor and Jefferson High Schools and was selected from 23 entries.

The newlyweds will make their home in Sacramento.

## Foreign Student Will Speak At Seaciff Church

A young Philippino minister will share the pulpit with Pastor Clark Robb this Sunday morning at the Seaciff Community Church.

The Rev. Estanislao A. Abainza, will arrive in San Francisco aboard the S.S. President Cleveland, en route to Dayton, Ohio.

Abainza will spend two years in the United States as a theological student under the sponsorship of the Board of Missions of the Evangelical United Brethren denomination, with which the Seaciff Church is affiliated.

As Port Representative for the E.U.B. Church, it is Pastor Robb's privilege to assist missionaries, foreign students, and other church leaders in their travels through San Francisco as "the gateway to the Orient."

Pastor Robb will bring the regular Sunday morning sermon in the 11 o'clock service, with Mr. Abainza bringing "greetings" from the mission field. Rev. Robb will be continuing his current series of "Summer in the Psalms."

In addition to Rev. Abainza, another Philippino student and a Japanese student were among those greeted by Pastor Robb this week. They were scheduled for appearances at E.U.B. churches in Oakland and Santa Clara.

## Greg Loren To Sing At Baptist Mass Sun.

Baritone Greg Loren, from Los Angeles, will sing Sunday morning at the Westlake Community Baptist Church, Southgate and Elmwood, in Daly City.

Reared in Colorado, Mr. Loren developed an early love for outdoor sports and music, becoming proficient in both. He began competing in singing contests during high school days and after winning an important radio contest, moved to Hollywood.

In a city where most young singers fail, Greg Loren was instantly successful. He appeared in five motion pictures for MGM Studios, he was a guest on many television shows, including the Bob Crosby Show, the Bob Hope Show and the "Thin Man" Series; he appeared in special musical productions in Las Vegas, he recorded for several leading companies and was soloist and master of ceremonies at the Hollywood Moulin Rouge for nearly two years.

At the Westlake Church on Sunday, Loren will sing two sets of numbers, after which Pastor Lynn Hodges will speak briefly. The meeting begins at 10:55 a.m. and the public is cordially invited to attend.

Harry S. Truman, 33rd president of the United States, was born at Lamar, Missouri, May 8, 1884.

RESOLUTION  
NO. 3031

**A RESOLUTION DECLARING THE INTENTION OF THE CITY OF DALY CITY TO CLOSE A PORTION OF MARKET STREET AND A PORTION OF ATLANTA STREET IN DALY CITY AND FIXING THE TIME AND PLACE OF HEARING ALL PERSONS INTERESTED IN OR OBJECTING TO SUCH PROPOSED CLOSING.**

WHEREAS, the City Council of the City of Daly City is desirous of vacating a portion of Market Street and a portion of Atlanta Street, public streets in the City of Daly City, as hereinafter described, and

WHEREAS, the City Council desires to take the necessary proceedings under the Street Vacation Act of 1941 closing said portions of said streets;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL of the City of Daly City as follows:

1. It is the intention of the City Council of the City of Daly City to vacate a portion of Market Street and a portion of Atlanta Street as the same are hereinafter described.

2. Reference is hereby made to the map and description on file in the office of the City Clerk of the City of Daly City for particulars as to the proposed closing.

3. Monday, August 28, 1961, at 8 o'clock p.m. of said day in the Council chambers in the City Hall of the City of Daly City, and the same is hereby fixed as the time and place for hearing all persons interested in or objecting to said proposed closing.

4. At least three notices of this proposed street closing shall be posted conspicuously on Market Street and on Atlanta Street in the area proposed for vacation. Such notices shall be posted not more than three hundred (300) feet apart but at least three (3) shall be posted on each street, and such notices shall state the passage of this resolution of intention of the time and place of hearing thereon.

5. At the time and place aforesaid, said City Council will hear the evidence offered by any person interested, and if said City Council then finds from all the evidence submitted that such portion of said street is unnecessary for present or prospective public street purposes, said City Council will make its order closing the above described portion of said street.

6. This resolution shall be published once in The Record, a newspaper of general circulation published in the City of Daly City, California.

7. The portion of such streets proposed for abandonment is described in Exhibit A attached hereto.

**DESCRIPTION:**  
That certain real property situate in the City of Daly City, County of San Mateo, State of California, described as follows:

## Pacifica Nursery School Hires New Director

Past and future members of the Pacifica Nursery School, Inc. will be participating under the able guidance of a new director, Mrs. Ella Reznitzer, when the school resumes its program in September.

Mrs. Reznitzer, who lives in Linda Mar, has an extensive educational background including 15 years experience in teaching elementary and nursery schools, most recently at the Lad N Lasse Cooperative Nursery School in San Francisco.

An education major, she received her A.B. degree from San Francisco State College and stayed on to supervise the College's Child Day Care Center, which functioned at that time as an observation school for college and nursing students.

Applications for enrollment of children in the two year, nine month to kindergarten age group are now being taken. The school is located in quarters at the First Baptist Church of Pacifica, 610 Edgemoor avenue, Pacifica Manor, an area that is convenient for residents of Pacifica, Pacific Heights section of San Bruno, Westlake Terrace, Heights, Palisades, and Knolls sections of Daly City.

## YWCA Summer Program Ends, Fall Slate Soon

As the summer gradually comes to a close, so do the highly successful vacation classes sponsored by the YWCA of North San Mateo County.

Accommodating over 350 children, the program offered classes for the pre-school child through the sub-teen, and high schoolers in group play, charm and sports.

The fall program offered by the "Y" will begin September 18 and booklets announcing the many and varied classes will be available after Labor Day.

In the offering for the fall will be an Open House, a Model's Training Class, and Fashion Shows, as well as all of the other popular classes available for children and adults.

For additional information, call the "Y" at PLaza 6-7370. The YWCA is another United Crusade Agency.

## Northern Calif. Report On Early 1961 Deer Season

**NORTH COAST**

HUMBOLDT — Early season includes only area west of Hwy. 101 south of Eureka. Produced all-time record buck kill last year and outlook is for another good season. Deer plentiful area-wide and in good condition. Antlers will be in velvet during early part of season. Best bet for unattached hunters is 21,000-acre King's Peak area 30 miles west of Garberville and due north of Shelter Cove. Seven miles of road in King's Peak area accessible by car.

MENDOCINO — Record kill last year and prospects just as good this year. Cow Mountain public hunting area and state and national forests all open. Big bucks are in cut-over lands but hunting is difficult. In Jackson State Forest hunters cautioned to observe closed areas around Parkin Fork and Chamberlain Creek Conservation Camps and Mendocino Woodlands Recreation Area.

## DESSERTS OF THE WEEK FROM Betty Crocker

"Feeling adventurous? Then do try our Egyptian Torte. A rich, moist cake so exotically different all your friends will be asking for the recipe—and you'll be ever so proud."

Cake-of-the-week: EGYPTIAN TORTE

A high, light and lovely cake you'll serve with pride! Bake Betty Crocker Toasted Coconut Cake Mix in layers. Cool. Split layers; spread Egyptian Filling between layers and on top. Frost sides with 1/2 cup whipping cream whipped with 2 tsp. sifted confectioners' sugar. Egyptian Filling: Cook 1 1/3 cups cream, 1 1/3 cups sugar, 4 eggs yolks and 1 cup chopped dates over low heat 6 to 7 min., until thickened. Remove from heat and add 1 tsp. McCormick or Schilling Vanilla and 1 cup chopped toasted almonds. Cool.

Family favorite: TRIPLE FUDGE SQUARES

Dark, and rich, and oh, so chocolatey good! Cook 1 pkg. chocolate pudding as directed. Blend in Betty Crocker Devils Food Cake Mix (dry mix). Pour into prepared oblong pan, 13x9x2". Sprinkle with 1/2 cup semi-sweet chocolate pieces and 1/2 cup chopped walnuts. Bake 30 to 35 min.

Calorie low: FRUIT ANGEL

## TV and Radio

By MONA BAKER

Magenta, plum, raspberry icing—the fashion commentator kept referring to the various colors worn by the models in the recent Union Square Fashion Show (telecast recently over KRON-TV), but, alas, through the television screen came only black and white because this year's annual show sponsored by San Francisco's fashion industry was telecast only in black and white.

Here we go again, beating the drums for fashion shows on television and in color. For the life of us we can't understand why the networks who seem to be searching for daytime programs appealing to women don't telecast fashion shows—if not on a monthly basis, at least a special every few months.

Certainly the production involved in such a show is quite simple in comparison with other shows. Dozens of sponsors should be available because any store manager knows nothing is quite so effective in selling clothes than a fashion show. As to color, fashions are made for colorcasts.

We like to encourage network shows originating in San Francisco and since this exotic city is known for its fashionably dressed women, why not schedule a regular fashion show from the City by the Golden Gate.

MEMO TO NBC: Since you are now in the midst of planning fall shows, won't you include fashion shows, and telecast them in color from San Francisco?

A superb production—bouquets to INTERTEL for the second documentary titled "The Heartbeat of France," which was telecast recently over KPIX and KQED. It was beautifully done with spectacular film clips, unusual camera techniques and appropriate musical background that created an absorbing program.

While we're handing out bouquets, we would like to say "thank you" to the stations and networks who again brought the vivid "you are there" story of the second spaceman. Watch the awards come rolling in for this fine co-operative effort on the part of the television industry.

Representing another forward step in the history of Channel 9, the station has filed a request with the Federal Communications Commission for permission to construct a translator station on Mt. Diablo. This means viewers in Central Contra Costa County will be able to receive KQED. It will be of particular benefit to school districts who wish to participate in KQED's classroom television service. At present the in-school viewing program is used in 90 school districts reaching more than 150,000 students.

NEW PROGRAMS: Over KPIX, course on "Basic Science in Space Age," seen Monday through Friday at 6:30 a.m. Also over Channel 5, a new series on stock market investing, "Care and Feeding of Money" (weekdays, 6:45 a.m.).

### 7 LOCAL TEENERS TO ATTEND CHURCH CONFAB IN MIAMI

The International Luther League Convention of the American Lutheran Church will be held in Miami, Florida, August 15-20. This convention is sponsored by the Youth Department of the American Lutheran Church. The American Lutheran Church is made of two million or more members.

This convention will bring teenagers from Canada and the Islands as well as from our own community together in convention. The seven local youth include: Lauretta Kimble, Sue McCourtie, Sarah Tweet, Jerry Chapman, Ron Marchand, Flody Parma, John Laursen, president of the local teen group will go as the delegate.

Gil Barros and Henry Quade are advisors of Our Redeemer's Lutheran League. Sunday, August 6, 8:30 and 11 a.m.—morning worship with holy communion. Sermon: "Christianity's Peace Corps." 9:30 a.m. Sunday School—3 years through Adult Bible Class.

The incense cedar, Libocedrus decurrens, frequently attains a height of 150 feet and a diameter of 3 to 4 feet.

GRAND OPENING festivities start today at the new "Sue Scott distinctive apparel" shop in Westlake Shopping Center. The shop, featuring apparel for women, juniors and sub-teens, was formerly known as the Miss-Teen Shop and was located at 321 S. Mayfair, also in Westlake Shopping Center.

The change-of-name event was timed to coincide with the moving to the newer and larger headquarters at 41 Westlake court, on the mall. The new shop will feature more than double the space and selection of merchandise, as well as a new "Young Look" half size

department, according to Irving and Sue Scott, owners of the store. Highlight of the grand opening celebration will be the introduction of the new fall merchandise. Free orchids will be given to those visiting the store through Saturday of this week.

NEWER, LARGER headquarters for the Lass and Laddie Shop in Westlake Shopping Center open today. The popular children's store, located for the past nine years at 323 South Mayfair in Westlake, makes its grand opening debut on the

Mall at 37 Westlake court. Irving and Sue Scott, owners of the store, extend an invitation for residents to visit them in their new location and inspect the latest back-to-school selection of merchandise for boys

and girls. The Mall location offers customers more than double the space and selection, the Scotts pointed out. Free orchids will be given away during the grand opening celebration from today through Saturday.

### Garden Club Was Organized Back In 1994

Editor's Note: (This is the first of a series of articles prepared by members of the Daly City Garden Club to call attention to a home garden contest, a flower show and an outdoor commercial garden exhibit the club is sponsoring in connection with the Golden Anniversary Celebration, October 7-14. The home garden contest will run through August and September, the flower show will be held September 10 and 11 and the commercial exhibit will be open during the celebration activities.)

By Mrs. C. M. Yohn

In 1949 a group of new residents in Daly City began a search for help in gardening and in the beautification of their homes.

They found the California Garden Clubs, Inc., had an excellent program, contacted the district director for the Bay Area and on November 8 the Daly City Garden Club was organized with a charter membership of 20 men and women, several of whom are still active in the club.

The programs carried out by this organization cover many fields of interest: conservation, civic beautification, community service, billboard control, junior gardening, community betterment, landscaping, flower show tours, roadside development, litter control, garden therapy, better homes, workshops and all phases of gardening.

The Daly City Garden Club is a member of the National Council of State Garden Clubs, Inc., California Garden Clubs, Inc., Bay-Ocean District 4B, the San Mateo County Information and Garden Center, Save the Redwoods League, the California Roadside Council and the Strybing Arboretum Society of Golden Gate

Park.

Membership is open to anyone interested in gardening. Meetings are held the first Tuesday of each month at the War Memorial Community Center at 8 p.m. and are open to the public.

The club issues a monthly bulletin which covers the

group's activities and includes an article on gardening applicable to that month.

Officers for 1961 are: Mrs. Joseph Kusber, president; J. P. Hargrove, first vice president; A. J. Lemos, second vice president; Mrs. C. M. Yohn, secretary, and Robert Hunter, treasurer.

### Islam De Molay S.F. Chapter Installs Officers

New officers for Islam Chapter, Order of DeMolay, will be installed in public ceremonies Friday, August 4, at 8 p.m., in the Richmond Masonic Temple, Arguello boulevard and Clement street, San Francisco.

John R. Ballentine will be the 129th master counselor to be installed. He is a student at San Francisco City College and is the son of Mr. and Mrs. R. J. Ballentine of 1887 - 34th avenue.

Timothy B. Nolan and Michael C. Carr will be the new senior and junior counselors, respectively.

Others to be installed will be Michael L. Barham, senior deacon; George T. Schulte, junior deacon; Vincent L. Wurtenberg, senior steward; Stephen D. Fuller, junior steward; Duane Underwood, chaplain; Alexander N. Graf, marshal; Melvin G. Lammers, standard bearer, and Kenneth Knight, sentinel.

The following will be preceptors for the ensuing term: Fred H. Anderson, Roy Boyd, John Stone, Calvin A. Rothman, Patrick Carr, Jeffrey W. Keyworth and Benton Price. Frank N. W. Doodha, Jr., will be the installing officer. The choir of Bethel 94, Order of Jobs' Daughters, will sing.

### Retirement Test To Get Benefits Is Discussed

By MERCIA LETON KAHN  
(Manager of the San Francisco (Mission) Social Security District Office)

There was one recent change in the social security law that, while minor, directly or indirectly affects everybody under 72 receiving old-age or survivors insurance benefits. This was a change in the so-called "retirement test."

Under the old law, a person could earn \$1,200 and receive all of his monthly social security benefits; \$1 in benefits was withheld, however, for each \$2 he earned from \$1,200 to \$1,500, and an additional \$1 withheld for each dollar earned over \$1,500. Under the new law, only \$1 is withheld for each \$2 earned from \$1,200 to \$1,700, with an additional dollar withheld for each dollar earned over \$1,700.

This means that under the new law a person eligible for social security benefits may earn up to \$1,700 and receive more in total earnings and benefits than under the old law. Of course, for each \$1 earned over \$1,700, \$1 is withheld in benefits.

An important part of this change, too, is that it applies to earnings for this year. People who are receiving benefits and earning \$1,500 or more may get more information about this by inquiring at the Social Security Office.

There is no change in the provision that, regardless of how much a beneficiary earns in a year, he will get a benefit check for any month in which he is over 72, or in which he neither earns more than \$100 in wages nor performs substantial services in self-employment.

### Cal Veteran Educational Aid Broadens

Eligibility of dependents of deceased or totally disabled veterans has been broadened by newly signed Cal-Vet educational assistance laws, San Mateo County Veterans' Service Officer Floyd D. Granger reported today. Applications for fall enrollment are now being accepted.

Assembly Bill 1059 (Garrigus) and AB 165 (Waldie) have been approved by Governor Edmund G. Brown and will go into effect September 15.

AB 1059 (Chapter 1031 of the 1961 Statutes) makes a half-dozen changes. It broadens the California residence requirements of dependents, so that any five of the past nine years (prior to application) of residence in the State will be qualifying and provides that any native-born dependent, regardless of residence may apply.

It permits widows to attend school or college part-time and increases widows' subsistence allowance from \$40 to \$50 a month for full-time attendance.

It raises the tuition allowance for any dependent at the college level from \$400 a year to \$900 a year maximum, and permits attendance at out-of-state schools by dependents, including schools in foreign countries under certain conditions.

Finally, AB 1059 extends the maximum age limit for children of deceased or totally disabled veterans through age 30 (from the former limit of 26 years) for those dependents with military service of their own. This is of particular benefit, for example, to medical school students who may have had a

### SSF Teen Club Holds Rummage Sale Fri., Sat.

South San Francisco's Recreation Department-sponsored Hi-Teen Club will hold a rummage sale this Friday and Saturday at the Magnolia Hi-Teen Center, Magnolia and Grand avenues.

Times for the sale are Friday 10 a.m. to 5 p.m. and in the evening, 7 to 10 p.m. Saturday the sale will continue 10 a.m. to 1 p.m.

Proceeds from the rummage sale, featuring both new and old rummage, will go to both the Ron Martinez Fund and new Teen lounge furniture.

The Martinez Fund goes to 16-year-old Ronny, for purposes of rehabilitation due to paralysis in a freak diving accident in the South San Francisco High School pool.

Further information can be obtained at the Teen Center, JU 8-9829, between 11 a.m. and 5 p.m.

three-year delay in their education because of their own military service.

AB 165 (Chapter 477), extends Cal-Vet eligibility for educational assistance to dependents of persons killed or totally disabled in peacetime service as well as wartime service since September 1, 1940. Stepchildren who were members of the veteran's household at the time of the veteran's death or disability were also made eligible.

## IT'S A FACT...ABOUT ERMA WORLD'S FIRST ELECTRONIC BOOKKEEPER

### A MAGNET FOR 200,000 CHECKS

200,000 checks processed in just six hours...that's the amazing record of ERMA, Bank of America's new Electronic Recording Method of Accounting. Here's how ERMA works: the numbers on each ERMA check are printed with a special magnetic ink containing microscopic specks of iron. When a check goes through ERMA's electronic "reader", each number is magnetized and sends out an electric impulse which is recorded by a computer. Even though a check may be folded or crumpled, ERMA reads it accurately, computes your statement in moments, without error. That's our ERMA—and she works only at Bank of America!

### ONE BOOKKEEPER FOR ALL OF SACRAMENTO

A single ERMA installation could take care of all the checks used daily in, for example, California's capital—in just under two hours! Pioneered and developed by Bank of America, ERMA provides the fastest, most accurate service for handling checks in banking history!

### SEE YOUR NAME IN PRINT!

As part of its ERMA system, Bank of America now gives all regular checking customers free personalized checks—your name and address printed on all your checks at no extra charge. Why not open your account today?

Westlake Parks. The Colma Division will play Saturdays at Marchbanks and Westlake Parks at 12 noon.

In the first game of the Western Division, the BYA Falcons won their first game of the season. The Falcons lost 10 straight in the last league.

Dick Homberg struck out 13 batters and allowed only two hits as his team downed BYA Art Colvin Juniors, 3-1.

In the first game of the Eastern Division, Parkmerced defeated New Pisa, 8-6. Jennings of New Pisa started off the game with a tremendous home-run blow. Fireball Mahoney, Jeff Portuay, Rep Pendry and Kenny Pike of Parkmerced whittled down New Pisa's lead and passed them up to win the game.

**JUNIOR CHAMPIONS** of the Daly City Recreation Department are the D & S Lumber, nine led by Manager Roger Kueich (top row, center), winning their last nine contests of the campaign for an 11-2 title-winning mark. First row (l. to r.) are Joaquin Andrade, pitcher; Ron Phillips, first base;

Nick Krnich, catcher, and bat boy George Kueich. Second row (l. to r.) are Jerry Donovan, first base; Roger Krnich, second base; Mike Krnich, third base; Mike Land, short stop, and Arnold Erlola, left field. Top row (l. to r.) are Dan Payette, center field; Bob Brodie, right field; Roger Kueich, right field; Manager Roger Kueich, sr.; Coach Mitch Krnich, and John Silver, score keeper. On vacation are short stop Bill Waite, pitcher Chuck Silk, and third baseman Bill Smith. D & S Lumber has a 36-6 win-loss record since January 1.

SSF REC CHAMPIONSHIPS  
SLATED SAT. AT ORANGE

The South San Francisco Merchant-sponsored baseball program will come to a dramatic close this Saturday with three baseball championships being played at Orange Avenue Memorial Park.

Eastern Division 13 and Under League title playoff will commence at 10 a.m. between the first half champ Optimists (10-2) and second half champion 12 Mile House (11-1).

Probable starters for the Optimists against Frank Portuach for the 12 Milers.

Second title contest pits Pony League Champ Clearlight Trophy (15-0) against the Pony League All Stars at about 12:30 p.m. Probable starting hurlers are Don Schaffert for Clearlight against Jerry Colombo of PAL No. 1.

Final playoff contest at approximately 3:30 p.m. will decide the second half championship of the 13 and Under Western Division when Plaza Furniture (11-1) battles the winner of the PAL Inspector-PAL Chief playoff game.

Plaza, the Chiefs, and the Inspectors ended in a three-way tie for second half honors with 5-1 win-loss records.

Plaza, first half winners, will take the league championship with a victory Saturday. A loss by Plaza will force a title playoff Tuesday evening at 7:30 o'clock.

DC Man Completes  
State Farm Training

John H. Bannon, 5 Coronado avenue, Daly City, has returned home after completing four weeks of technical study at his firm's home office at Bloomington, Ill.

Bannon is a claim representative in South San Francisco for State Farm Mutual Automobile Insurance Company.

State Farm maintains the school on a year-round basis so representatives may be informed of the latest methods, policy contracts and procedures in claim servicing.

This year some 600 men will attend classes there.

Westmor Hi Junior  
Olympics On Friday

The Daly City Recreation Department's special events for this week call for a Roller Skating Party at Playland for those children living on the east side of Junipero Serra boulevard and a Junior Olympics at Westmor High School for those children living on the west side of Junipero Serra boulevard.

The Roller Skating Party on Friday will include skating at Skateland from 11 a.m. to 1 p.m. and will provide the children an opportunity to visit Playland-at-the-Beach from 1 to 2:30 p.m.

The Junior Olympics at Westmor High School on Friday will be open to youngsters 14 years of age and under. There will be different age classifications for both boys and girls in the many track and field events.

Further information on these activities may be obtained by contacting the Recreation Leader at your nearest school or city playground.

## TRIP TO GOLDEN GATE PK.

Children from Washington School, Crocker School, Lincoln Park and Frankfort Park attended an outing to Golden Gate Park. Over 70 youngsters enjoyed a fun-packed day while visiting the Steinhart Aquarium, Japanese Tea Garden, Natural Science Museum and the De Young Museum.

Some of the children from the various parks seen enjoying themselves were: from Crocker School, Jenny Nicholas, Mike and Diane Darich, Jo Lynn Samson, Debera, Kathleen and Bonnie Tyler, Rich Adkisson, Keith, Ken Bruce, Mark and Pete Boati.

From the other three parks were Steve, Ray and David Sutherland, Carol McEvoy, Lynn and Pat Scott, Darrell Folenot, Gene Hedrick, Jim Marie and Wayne Martin, Charlene Magnason, Lydia Berardi, Jackie, Darryl and Michael Lopez and Linda Gross.

## SUMMER REC. PROGRAM

The Summer Recreation Program is in its seventh week and is definitely the largest in the city's history. Attendance on the playgrounds has far exceeded any past number for this time of the year.

Tino Sabuco Throws  
No-Hitter For Drugs

Tino Sabuco of the Daly City Drugs highlighted Men's Softball League action over the weekend with a no-hit pitching performance over Duffy's Corner, 19-2.

Sabuco, a former pro football player, and Daly City sportsman George Pedroni led the victory. Pedroni collected five for six.

Matosish of the Drugs had a home run in three hits for four at bats, while Patron, Bournellis, Brewer and Sabuco had a pair of hits each for the league leading Drugs.

The South San Francisco Native Sons defeated the Mitchell Plumbing Roadrunners, 19-8. O'Han and Winter, of the Native Sons both had four for four, and Ohman cracked a home run, while Malfatti notched four hits and Mendosa two. Roadrunners Abaurrea, Smith and Cattich each had a pair of hits.

Baronis tied the Native Sons for second place when they shut out Duffy's Corner, 5-0.

Foster, Baronis pitcher, allowed five hits. Sallamallo had three hits for Duffy's Corner.

## Reports from the playgrounds:

**Olympia School**—Recreation Leader George Ambrosio—Last week 10 eager fishermen from Olympia School ventured to Lake Merced for a day's fishing.

Rusty Goldberg proved to be the top fisherman by bagging five trout and Chris Gibson was next with a total of two. Seven other boys, Larry Jabin, Steve Patch, James Opp, Perry Kirshenblatt, Doug Herald, Greg Sargent and Tom Matucci each caught a fish.

**Westlake School**—Recreation Leader Jim Butler—Westlake School playground sponsored a Surprise Day Outing for all children aged nine years and over. The outing was a Bike Ride to Golden Gate Park.

The children enjoyed a day of sight-seeing throughout the park, eating lunch at Stow Lake, traveling past Playland at the Beach and returning home along the Great Highway.

In attendance were Karen Carrillo, Kristine Carrillo, Joseph Coccellato, Don Gordon, Mary Joe Gordon, Kelly Crowley, Joe Crowley, Robert Peirano, John Hutson and Robin Ramus.

**Westlake Park**—Larry De Merritt, Recreation Leader—Westlake Park sponsored a "Surprise Day" trip to Fleishacker Pool. Although the day was cold, the participants had a grand time swimming and diving. The winners of the recent Westlake Park Softball throwing contest are Rich Williams, David Williams, Paul Vorsatz and Bill Salsburg.

**Marchbanks Park**—Dave Donnelly and Marilyn Schwenger, Recreation Leaders—Two tournaments highlighted this week's activities at Marchbanks Park.

The park tetherball championships were won by Arthur Hermosillo and Judy Hastings. In the boys competition, Alan Costa placed second and Roger Cecchi third. In the girls' division, Maureen Megrany was second and Marion Sawyer third. A free throw contest was featured among the teen-age boys and 15-year-old Robert Thompson came off with top honors by hitting 37 out of 50 shots. Doug Cunningham put on a tremendous effort and took second place. A three-way tie for third place came about when Roland La Rosa, Joe Chavez and Bob Dennis all scored on 32 out of 50 attempts.

**Palisades Park**—Bill Moe, Recreation Leader—The Palisades Park kickball team is traveling to Vista Mar playground to play an all-out game with the Vista Mar team. After dropping a softball game to Vista Mar, Palisades is out to win this one. With the strong foot of Darrell Wallace and the defense of Clancy Osborne, Robbie Caldwell, Steve Wohl and Silis Mills, the Palisades boys are a favorite to win.

WW I Vets Establish  
Blood Bank, Seek  
Daly City Members

Veterans of World War I, USA, Inc., have in their organization a blood bank for the Buddies and Sisters in good standing with the Barracks and Auxiliary.

With the high cost of blood and increased age, the blood bank is established for members and their families.

The organization cordially invites non-members to consider membership in the Daly City Veterans of World War I, USA, Inc., meeting every third Tuesday of each month at 7:30 p.m. in the War Memorial Park and Recreation Community Center.

Cards Gain  
In Peninsula  
Little League

PAL Cardinals of Daly City put on the pressure last week to remain in second place, now only a game behind, in the Peninsula Little League standings.

While loop leader Silver Terrace lost a 2-1 upset to the PAL Constables, the Cards were beating St. Paul in a revenge contest 11-7, and bombing Parkview of San Bruno 9-0.

Joe Farrell hurled two-hit ball in the Parkview shutout and Card teammates Keith Stoller and Ron La Rosa each had four hits in as many at bats.

In the St. Paul game, Cardinal pitcher Mike Miller gave up only four hits and fanned 11. Big blast for the Cards was Kimo Shebert's home run and Farrell's bases loaded single.

In other league contests, the PAL Constables beat the Parkside Yankees 8-4. Silver Terrace topped St. Paul 6-5, and Parkside tipped Parkview 8-7.

Cards Share Lead  
In SSF Orange Loop

Daly City's PAL Cardinals continued undefeated and tied for league leadership in the Orange Invitational League of South San Francisco.

South City's Braves and the Cardinals are locked in first with 6-0 win-loss records.

The Cards captured a pair of victories, crushing the Parkway Bugs 20-4 on the strength of Jeff Starkovich's two-hitter, and 15-4 over the Orange All Stars. Starkovich gave up only four hits in the All Star contest.

Grady Proctor cracked a grand slam homer, Keith Stoller had two hits, one a triple, and Lonnie Alfano had a triple in netting 19 hits off Parkway pitching.

Starkovich had four for four and Nick Kosturos three for three in the Orange All Star game.

Daly City Dragster  
Takes Honors In  
Fremont Strip Race

Jim McLennon of Daly City and South San Francisco did the honors with the Gottelli Champion A-fuel dragster recently at Fremont, to take top eliminator and top time, with a speed of 181.44 mph in 8.66 seconds.

A crowd of over 4,000 saw the spectacular program that featured Chuck "The Tiger" Gireth of Arcadia as the quickest on the standing quarter-mile, when he traveled the distance in 8.62 seconds for low elapsed time award. Gireth was not able to race the Cash Auto Special, from San Francisco, for the National Number Two Mr. Eliminator because of clutch trouble that prevented clutch from making a single run. However, this match is being rescheduled for a late August date at the Fremont Drag Strip.

Bob Skabaro and Gary Sutton of Oakland took the Second Eliminator with their B-open gas Chevy dragster that hit 159.27 mph in 9.54 seconds. The third eliminator went to the Burkholder Bros. and Radan A-Altred Olds from Sacramento that did 145.39 mph in 10.54 seconds, and also set a Fremont track record for the class.

Jim Rodgers and Joe Madrugaga raced the Milpitas Special, B-dragster with Olds engine, in 11.06 seconds and 128.02 mph and earned fourth eliminator. Fifth eliminator was Dick Bonvicino of Hayward, with a Chevy engine B-street roadster that did 105.05 mph on the quarter. The McKenna and Cusack Hot-pickup from San Leandro turned 104.80 mph in 13.20 seconds to win the sixth eliminator. Eleven cars from the Shaft Snappers of San Jose were racing today, to earn the Club Participation Award for their efforts.

A national 1320 track record was verified by the Schrank Bros. of Redwood City, when they were clocked at 179.28 mph with their B-dragster.

Fred Hawthorn of San Jose, driving the Courtesy Chevrolet Corvette, upped the track record for TCX class with a speed of 117.64 mph in 12.06 seconds.

Ken Davis, driving the Cash Auto Pontiac from San Francisco set a new Fremont strip record for SSA class with 112.50 mph in 13.39 seconds.

## It's SPARE TIME

at Westlake Bowl

Daly City Police Officer Rich Brewer is the new "King" at Westlake Bowl after shooting the highest three-game series since the Bowl's opening almost three years ago. Bowling games of 221-276-236 for a 733 total, Rich passed Ron Anguillo's previous high of 714. To add to the glory of the evening, he had entered the PAL Tournament at the same time and thereby took over undisputed possession of first place. For his second game, Rich becomes a member of The Westlake 275 Club, receiving the belt and buckle symbol of membership.

Last Monday and Tuesday, Westlake was the site of The Brunswick Corporation's presentation of a completely new "approach to bowling" program. On hand were almost 100 bowling proprietors and instructors from all parts of Northern California. The Tuesday session included demonstrations by All-Star Bowlers of The Brunswick Advisory Staff. The entire program was under the direction of Lloyd F. Brown, San Francisco manager of The Brunswick Corporation.

Jim Fisher cracked the 200 mark by two pins last week in the 805 Scratch League but fell nine pins short of the 600 mark for his three-game series.

Due to the large number of members in the class, Instructor Dick Truesdell has announced a change in the Friday afternoon instruction class. For the remainder of the summer, those boys and girls 10 years of age and under will meet at 2 p.m., while those 11 and over will start their instruction at 3:30 p.m. For the more advanced members, Dick has started a short instruction league.

Connie Silvas of the St. Thomas More Mothers' Guild League made fellow league members sit up and take notice last Thursday as she bowled a 190 third game for a 500 total—a mere 149 pins over her average.

Receipts for the Daly City Police Athletic League have passed the \$4,000 mark in the current bowling tournament, which ends August 6. While Rich Brewer has taken over the lead in the men's division, Rowena Nichols continues to lead the ladies with a 689 total. Friday, August 3, will find 64 members of The Bel Mateo Housewives League shooting as a group to help this worthy cause. Lamar Rolling brought 76 Millbrae bowlers to Westlake last Saturday night in the largest squad in the history of the tournament. Other groups bowling in the third annual affair have come from Bagdad Bowl, Marina Bowl, Vince & Fred's Annex, Phillips & Van Orden, Company, Palo Alto Bowl and Mission Bowl.

An Irkler was quite consistent as she bowled excellent games of 175-172-177 for a 524 total, 62 pins over her average.

Irv Heyman's 255 was high for the B'nai B'rith League last week but he couldn't quite make the 600 mark for his series.

Monday night bowlers were distracted as five models were on hand for publicity photos for the forthcoming Aid Retarded Children Bowling Tournament which will be held at the 13 bowling centers of the San Francisco Bowling Proprietors' Association. The tournament will run from August 3 to September 10 and will kick off with a Miss 300 contest at Union Square in San Francisco on Tuesday, August 1.

An added summer feature for the Juniors is a Travel League with two teams each from Marina, Serra, Lincoln and Westlake Bowls.

Joan Gislser and Doris Arnott are the Powder Puff Queens for July, with Joan's 492 winning the Scratch Division and Doris' 630 taking the Handicap Section. A three-way tie at 475 developed in the scratch shooters as Milli Belli, Sis Draper and Audrey Periano all shared the second place prize money. Robbie Johnson took second place among the handicappers and also won the P.A.L. squad prize. The August Powder Puff Derbies are slated for August 14 and 28 at 1:15 p.m.

The First Annual Family Doubles has ended and as soon as averages can be verified, the official winners will be notified.

Harold Martin's 656 won him the Friday Jackpot Sweepers although he lost to Fred Botsford five strikes to one in the Jackpot Roll-off.

DC Rec Dept Loops  
Open 2nd Half Action

The second rounds of the Daly City Recreation Department Baseball Leagues got under way last week in five new divisions.

The Misracks Cardinals and the BYA Bullets pounded the ball for a total of 25 hits, 15 by the Cardinals as they won, 14-1. Creg Agar made the difference in the score with a grand slam homerun.

The PAL Yankees, Division winners in the last round, got off to a fast start, blasting the PAL Braves, 10-4. Allen Stanley KO'd eight Brave batters, and Scott Ghiladucci rapped out a triple to help the cause.

Joe Farrell of the PAL Redsox starred on the mound in their game against Totos Midgets. Farrell came into the game in the relief role for Mike Miller in the first inning, tossing a no-hitter in relief. Larry Ball joined the grand-slam homerun club and Ron La Rosa hit three for four in the Redsox win over Totos, 6-2.

## Marchbanks Division—Midgets

Two new teams opened play in the Marchbanks Division—Sam Mannina's BYA Little Giants and Jerry Pyle's BYA Relish Bakery. Steve Bach pitched and hit his team to a 17 to 2 lead over the Bakery boys. Relish Bakery fought back and cut the lead down to the final 17-10 score.

Ricky Grosse of Parkmerced came up with a no-hitter against the PAL Indians, Leonard Barnette's new club from the Crocker district. Steve Iversen and Brian Bond starred in the Parkmerced defensive effort.

fort. Pat Roubert hit two for three and Eddie Nathan had three RBIs.

**Colma Division—Midgets**  
Holy Angel Lions opened their division with a win over the Misracks Cubs, 6-4. Padilla of the Lions saved the game with a great stop of a long ball hit to centerfield with three aboard. Wallace won the game with a two-run single.

OLPH edged out the PAL Giants, 8-7. T. Burgess of OLPH hit two for three and Storkey of the Giants had two for two in the game.

**Western Division—Juniors**  
The Skyline Plaza Merchants team ran into trouble this week. Misracks Juniors downed them, 14-1, as the Merchant's pitchers had trouble on the mound.

Later in the week, they received a lesson in base stealing from Rex Arnott of Art Colvin BYA.

Arnott stole six bases in the Art Colvin BYA-Skyline Merchants game. John Heick's bases-loaded single started the scoring that put the game on ice as BYA won, 11-5.

**Eastern Division—Juniors**  
In the only game played this week, Parkmerced gave coach Rich Watson a going away present. Watson leaves for military service this week. Their game with South Sunset went into extra innings as they fought to collect the win, 9-8.

With the game all tied up, Jeff Portnay smashed a home run over the leftfield fence at Parkmerced. Portnay is the second Junior player to ever put a ball over that fence in league play.
